Maybe even better than free.

Files can be downloaded from any computer from our high speed servers. It is also allowed to link to the download page from websites and communities. File is free to use with no gotchas and no hidden fees. Our service is completely free for everyone. So try our free and simple filehosting service now. Any file in any format can be uploaded and downloaded for free. Simply upload your file and share the link. Keep your files private, or send your download links only to friends or family. We have no file size limit. Your wallet will be none-the-lighter! Just so we're all 100% clear here: When you share a file, data is being transferred between your computer or phone and our servers, then from our servers to your friends device. If only we could, we surely would! On the otherhand, using file can actually save you money. Why pay storage fees for a file that you just wanted to send to a friend or colleague? Also, many team chat appshave limits to the size of files that can be transferred within their apps. When you use file, you avoid storing the file you're sending in your cloud storage ormail server. Files transferred the old-fashioned way tend to pile up and be forgotten about, eventually costing you money in data storage fees. Just upload thefile you want to share with your friends and we send you a download link to your file. You can upload any type of file (movies, music, documents, images, zipfiles and more). You don't need any special software installed to be able to download your files. This is easy, fast and reliable filehosting! You don't need anykind of premium-accounts. Unfortunately, we can't make that part free. The cost of that data transfer is covered by your internet service or the data plan on yourphone. You can give this download link to your friends by mail or instant messenger. filehosting provides an easy possibility for you to send large files to yourfriends. Alternatively you can choose to share your download links on blogs, forums and social networking sites. There are no restrictions on the number oftimes a file can be downloaded. You decide who you want to share your files with. No account or credit card is required to get started. Using file, you cancircumvent those limits without paying to upgrade your team chat service.
