TACTICAL SYSTEMS

7 vs 7 SOCCER

The tactical disposition of the players on the field very often debate. A good tactical plan you will not by itself win the game but can contribute. The system must be thought out in terms of physical, technical and tactical players. There may of course change during the match depending on the evolution of the score or the phases of play (offensive and defensive).
We analysed the 6 tacticals systems :

SYSTEM 1-4-2

SYSTEM 1-3-3

SYSTEM 1-2-3-1

SYSTEM 1-3-1-2

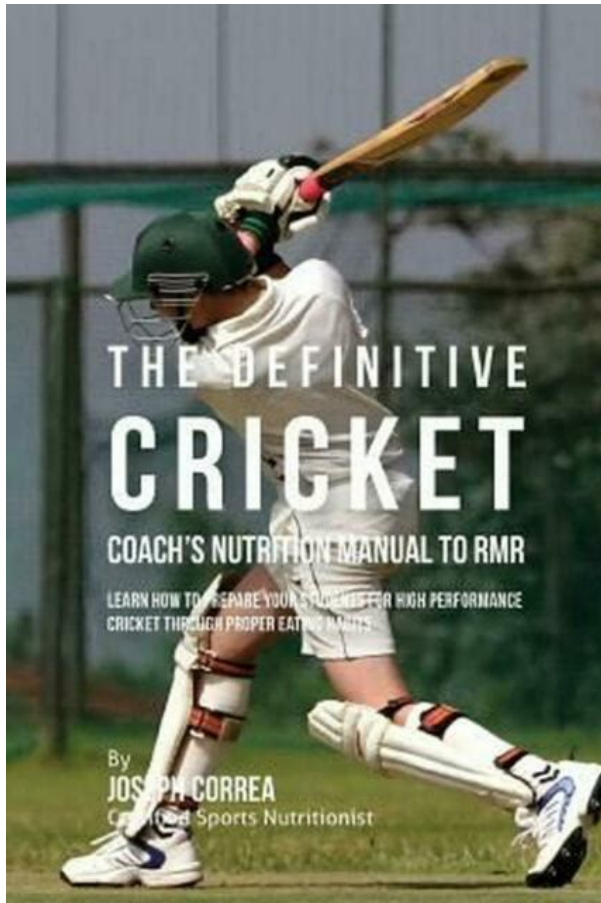

SYSTEM 1-3-2-1

SYSTEM 1-2-1-3
